

## CoDA Service Conference 2016

### Discontinued Conference Endorsed Literature to Become Service Pieces

Committee: CoDA Literature Committee

Date: 08/18/16

Motion Number (data entry purpose only):   4  

Result (data entry purpose only):

---

**Motion:**

Any piece of CoDA Conference endorsed literature which is allowed to go out of print must continue to be available to the membership via the coda.org web site.

---

**Intent:**

To ensure that no piece of literature is made unavailable even if the sales of the printed version do not support its continued publication in hard copy format.

---

**Remarks:**

A lot of work by the CoDA Literature Committee and others goes into the development and approval of a piece of literature. The products of such work should remain available.
