

Hospitals & Institutions Committee

"Books for Inmates & Institutions" Program

How It Works

- 1) Send a donation for "Books for Inmates & Institutions",
- 2) This is a matching program that will allow us to double the effort to reach the codependent who still suffers.
- 3) You can specify the Institution or just donate and allow us to send them to where there is a need. (We currently can only send books within the USA.)

What's New?

- 1) We have changed the name to "**Books for Inmates and Institutions**"
We changed the name of the program so that it is consistent with how the program is operating and was set up. We wanted it to be clear that books are sent to institutions as well as inmates but not in equal numbers. The current H&I committee has defined "Institutions" for this program as prisons, jails, rehabilitation centers, and hospitals.
- 2) **CoRE** is selling the CoDA Book and Workbook to H&I at the lowest list price minus royalty (\$5.60/bk-2014)

Thank you for your service!

The Books for Inmates & Institutions program helps us work out our 12th Step: Having had a spiritual awakening as the result of these steps, we tried to carry this message to other codependents, and to practice these principles in all our affairs.
