### Our retreat history:

It began with a few members who enjoyed camping together and having a meeting by firelight. It has since evolved into lodging members who still enjoy the annual gatherings to share experience, strength and hope in a meeting and social setting. In our 8th year we are hoping the “campers” will treat themselves to a weekend in a Lodge complete with separate dorms for men and women, semi-private bathrooms and, dare I say it, all meals provided. (Please note there will be no tent camping option.)

For 2018 we have elected to keep it a bit simpler by focusing on fellowshiping with one another and maybe quiet time to reconnect with our Higher Power. We hope you will join us.

**Ponderosa** is 650 acres of year-round retreat and relaxation.

Just off I-25, we're right between Denver and Colorado Springs and the perfect spot for individuals and groups to retreat.

Nestled in the pine-covered foothills of the Rockies, we serve up some of the best food you'll find in a casual destination—all created in Colorado style with a slight southern accent.

**Be sure to bring your own bedding, and *we can't wait to see you there!***
