### LETTER THREATENING LITIGATION

<b>ACTION ITEM</b>	To craft an email to our lawyer asking if we need to be concerned.
<b>DISCUSSION</b>	We discussed a former board member who sent a letter that was distributed to the voting members at CSC and sent to all the trustees via snail mail and email. This board member also shared the letter with our lawyer John Gilbert. In the letter possible litigation is threatened against the CoDA Board if certain actions aren't taken. Since our meeting in answer to the email crafted above our lawyer has assured us that these allegations are not wisely founded and we do not need to be concerned nor send a reply to the letter. We have decided to take no further action as advised by our lawyer. In the letter it was brought to our attention that we had not updated the Arizona website when we took office in 2011. This oversight has been corrected.

### ALTERNATIVE FORMAT MEETINGS

<b>DISCUSSION</b>	Lisa B., as alternative format meetings liaison, informed us that she met with a VE Online/Phone member (who was not a delegate this year) and she will send us a summary of her discussion.

### BOARD SUMMARIES AND CON CALLS

<b>DISCUSSION</b>	We talked about the timeliness of our board summaries. Our goal is to get them out sooner after the con calls. We need to improve on the timeliness of our vetting process to approve the summary before it goes out to the Fellowship. We talked about changing the requirement of 7 day notice for a CoDA member to attend a Board con call. Of note, we have accepted those interested up to twenty four hours before the call.

### EXPENSE REPORTS

<b>DISCUSSION</b>	We discussed our expense reports and what we are going to claim for reimbursement. Barbara requests extra days and nights to stay through convention as she has to continue to write checks for the Events committee and meet with them immediately following convention. We group concienced that we should be reimbursed for Friday night as our face to face meeting was immediately following conference on Friday and did not end until after 4pm making it unrealistic for us to travel home that evening. In summary, we approved Barbara for 8 nights' hotel and 9 days per diem, the other US trustees will claim up to 7 hotel nights and 8 days per diem. International board members may be reimbursed nights and days for travel time across more than 4 time zones as per our Expense Reimbursement Policy.
