Section 01 Introduction

Purpose of this Manual

The purpose of this document is to provide a more detailed description of our service structure and other general information that was addressed in Part 1, Structure and General Information Summary.

Section 02 Board Overseen Service Functions

Board Overseen Services

Fellowship Services

Fellowship Services workers provide baseline support services. This includes a mail and telephone point of contact for the members, maintenance of the organization's meeting and contact lists, and the delivery of other services required by the organization. The CoDA Board of Trustees is responsible for the execution and oversight of these services.

Email list coordinator

- Maintains email address lists of those CoDA members who have requested receipt of CoDA Fellowship announcements by email
- Sends out messages as provided or requested by committees, the board and their chairs. Also sends out various reminder emails (CoDA events, etc) that they may compose themselves
- Works to optimize methods of sending to reach as many list members as possible
- Maintains an internet archive of past messages and a web based list sign-up; and saves all list subscribe confirmation emails.
- Provides opportunities for CoDA members to sign up for the list
- Protects all list members' anonymity and privacy
- The list is only for Official CoDA Fellowship use. It is essential (due to legal reasons and respect for list members) to send only to people who have requested the list and to limit e-mailings to CoDA Fellowship issues
- Works to be aware of and follow all USA email laws. Maintains a relationship with our email list host, to have the knowledge to follow their policies
- Other duties as assigned by the Board

Section 03 CoDA Standing Committees

Effective October 15, 2018, the suggested guidelines for a World Level Committee is as follows:

1. Has a minimum of 3 active members.
2. Creates/updates, within a year from CSC, a Policy and Procedures Manual that specifies the Committee's mission statement and its goals.
3. Posts, in an area accessible to the Fellowship, the committee's Policy and Procedures Manual, which includes its mission statement and goals and, when possible, the Conference motion(s) that created the committee.
4. At minimum, conducts meetings every other month.
5. Posts, to an area accessible to the Fellowship, the approved and corrected minutes of the committee's regularly scheduled business meetings

The following guidelines were established for removal of a member from a World Standing Committee or the Board of Trustees, by the members of said committee, through the committee's group conscience process after they have attempted to make use of the Dealing with Disagreements Document in the Fellowship Service Manual:

Grounds for removal of a World Standing Committee member:

If a World Standing Committee member's behavior is in conflict with any one (1) of the following, it may be cause for removal:

- The member fails to participate in committee work for six (6) consecutive months.
- The member's behavior is regularly and consistently in conflict with any of the Twelve Traditions of Codependents Anonymous.
- The member's behavior is regularly and consistently in conflict with the policies and procedures of the committee.

When the group conscience (GC) decides for removal, the GC is valid immediately if:

- the committee's agenda contains the GC as an agenda item
- the agenda is emailed ten (10) days prior to the meeting
- The chair, or the chair's designee as selected by a group conscience, shall notify the member of their removal and the reasons for that removal within three (3) days from the meeting in which the removal occurred.
- A removed member may file a dispute resolution request with the Issues and Mediation Committee.

Effective with the conclusion of the 2019 CSC, a person can no longer simultaneously hold the position of Chair of a standing or Adhoc committee and be a Delegate for a Voting Entity at the CoDA Service Conference. No chair of a standing committee may serve as a full member on another standing committee.

CoDA Events Committee (CEC)

Committee History

A motion was brought and passed in 2009 by the Fellowship to merge the "CSC" - CoDA Service Conference (business meeting) and the "convention" (workshops & speaker meetings), beginning in 2010. This would benefit the CoDA Fellowship by: 1) exposing the Fellowship to CoDA World Service and opportunities to do service work beyond their local communities, 2) giving CoDA Delegates, Board Members, and Committee Members the ability to attend both

events during the same week; saving time and expense, and 3) allowing CoDA to consistently bring workshops and speaker meetings to a new CoDA community each year; helping those who are still suffering from co-dependence. To find out how to participate, please contact events@codas.org.

Motion 18018 was passed in 2018 to have CSC/ICC run consecutively rather than concurrently, extending total time for CSC (or Pre- CSC meeting) up to 4 days, instead of 3.5 days. This motion will supersede Motion 08021 which merged CSC/ICC to run simultaneously.

Committee Responsibilities

CoDA Events Committee has a variety of duties revolving around the organization and management of the annual CoDA Service Conference (business meeting) and the International CoDA Convention (workshops and speaker meetings), also known as the CSC and ICC, respectfully. In conjunction with the CoDA Board, CoDA Events Committee recommends the date, location, and hotel. The CoDA Service Conference (CSC) and International CoDA Convention (ICC) is announced two years in advance.

Committee Duties

- Send announcements to Fellowship communities to create interest in hosting the CoDA Service Conference (CSC) and International CoDA Convention (ICC) in their community.
- Accept and review all host applications. Bids may be submitted 4 years prior to scheduled CSC/ICC and no later than 2 years prior to CSC/ICC.
- Recommend the date, place and hotel in conjunction with the CoDA Board for CSC/ICC. The date and location, avoiding major federal holidays and religious holidays, will be announced two years in advance.
- Organize and manage all activities necessary for successful event, including: secure hotel, secure facilitator, select speakers and workshop facilitators, manage and report registration, create and distribute agenda and program, oversee meeting room setups, oversee food and beverage, address attendees issues and needs, copy and distribute revised motions, reports, budgets and other materials during business meeting, secure taper to record workshops and speakers, secure necessary equipment, review all invoices for accuracy, and facilitate board elections.
- Conduct and report survey findings to improve future events.
- Collaborate with the Hosting CoDA Community.
- Ensure Hosting CoDA Community understands and receives their Travel Reimbursement Opportunity (TRO).
- Maintain CoDA Events Committee Policies and Procedures Manual and other CoDA Events Committee planning guidelines e.g. forms, tools, key documents and procedures to ensure continuity.

CoDA Literature Committee (CLC)

The CoDA Literature Committee's (CLC) function is to create and facilitate the development of new literature and service items written by and for the Fellowship of Co-Dependents Anonymous. CLC updates and edits existing pieces as endorsed by CSC. CLC also proofreads items before CoRe publishes or reprints them. The CLC encourages members and groups to contribute ideas and written material for consideration.

Writing for CoDA is a wonderful way to "carry the message," as expressed in Step Twelve. The CLC welcomes participation from CoDA members. We invite submissions from individuals and from groups.

For information on current projects, to find out how to participate, and to offer suggestions for new or existing literature, please contact: CLC at lit@codas.org, or:

CoDA Literature Committee

P.O. Box 33577, Phoenix, AZ 85067

The CLC requires writers to sign an Assignment of Copyright form (available on the CoDA website, www.coda.org), which gives CoDA the legal right to edit, adapt, publish, and sell contributions as CoDA literature. This is part of the group conscience process as expressed through the CoDA Literature Committee. The final product becomes the property of the Fellowship, not of any individual author. Submitting authors remain anonymous. After the piece goes through the CLC's group conscience process, a final literature draft is made available to CoDA Delegates, Trustees, etc. for review and endorsement at the annual CoDA Service Conference.

We pledge to review and respectfully consider material submitted by the Fellowship to the CLC for release as CoDA Conference Endorsed literature. We pledge to maintain communication and cooperation between the CLC and all CoDA committees, boards, organizations, and the Fellowship. We pledge that this process will be carried out in a timely and prudent manner.

Communications Committee

Background: A Communications Task Force was created at the 2007 CSC to address the goal of improving communication within CoDA, both up and down the inverted pyramid. The following year was spent in recruiting people to participate in the effort and in gathering specific issues to be addressed. Starting in early 2009, the task force members began to have regular conference calls and work began in earnest on several of the identified issues. As a result of this work, the 2009 CSC voted to make the Communication Task Force a standing committee to continue to address identified communication issues as they surface.

Description of committee responsibilities:

- Focus on improving communications up and down the inverted pyramid within the World CoDA Fellowship
- Work towards ensuring that every codependent throughout the world will have access to all the CoDA information that is important to them
- Work towards ensuring that all people within the World CoDA Fellowship have a better understanding of what is involved in making the Fellowship work
- Provide a mechanism for two way communication with codependents in distant or isolated locations, particularly those without active communities or voting entities to support them
- Address those areas of communication not currently handled by the Outreach Committee
- Has responsibilities regarding the "General Announcements" (CoDA Announcements) email list.

Communications Committee:

In addition to attending to the responsibilities listed above, the Communications Committee provides administrative support to the CoDA Email Team and the CoDA Phone Team, such as communications with the board or CoDA contract workers, reporting to the Fellowship quarterly (QSR) and annually at the CoDA Service Conference (CSC) and other matters helpful to their missions.

CoDA Email Team (CET):

CET is a group of actively recovering codependents that serve as the a 'customer service' branch of CoDA. We are fulfilling Step 12 through email rotation service work.

Our service work involves educating people about the CoDA Fellowship and connecting codependents with meetings worldwide. We provide information about face-to-face (f2f), phone and online CoDA meetings. We answer both general and specific questions about CoDA, and share our experience, strength, and hope (ESH). When appropriate, we refer

others to specific CoDA Committees.

CET assists in updating domestic, regional, and international contact information and meeting lists by forwarding information to the appropriate Fellowship service worker. Where we can, we connect different people in the same region who want to start meetings. One of our goals is to be proactive in reaching out to and connecting with other codependents.

Most of CET's service work takes place online through email; therefore, CET members ought to have an affinity and ability to communicate effectively over email. People interested in serving on the team should have at least one year of active CoDA recovery.

CoDA Phone Team (Cphone):

Cphone is a group of actively recovering codependents that are available to speak by phone with anyone wondering what CoDA meetings are like or to answer other questions that are not addressed on the recorded menu that is heard when the CoDA phone number is called.

We provide information about face-to-face (f2f), phone and online CoDA meetings. We answer both general and specific questions about CoDA, and share our experience, strength, and hope (ESH). Cphone assists in updating domestic, regional, and international contact information and meeting lists by forwarding information to the appropriate Fellowship service worker. Where we can, we connect different people in the same region who want to start meetings.

One of our goals is to be proactive in reaching out to and connecting with other codependents. We refer others to specific CoDA Committees when they miss that reference on the recorded menu. The basic idea is to briefly answer whatever question the person is asking. We are not a counseling or crisis hotline nor can we refer them to one, so we indicate that to the caller. But we still try to be warm and communicative about CoDA as a resource for people desiring healthy and loving relationships.

Calls to Cphone volunteers are automatically forwarded to those "on-call" at the time of the call or go to a message recording system. These recordings are then accessed by the next person on-call and the call is returned. People serving on Cphone should have at least one year of active CoDA recovery.

Co-NNections[®] Committee

The Co-NNections Committee publishes Fellowship recovery stories. The committee's belief is that publishing the submissions shared by CoDA members will enhance the recovery of contributors and viewers alike. The Co- NNections Committee's goal is to provide a weekly Reading and an on-line Meeting in Print for CoDA members to share their thoughts about their recovery journey. Committee members do this by publishing Co-NNections[®], collection of original writing, graphic art, audio and video based submissions sent in by members of the CoDA Fellowship.

Finance Committee

The CoDA Finance Committee works with the CoDA Treasurer and Board to provide financial oversight, analysis, and advice to the Fellowship of CoDA with respect to:

- Prudent budgeting and investing
- Financial stability
- Monetary resources of the CoDA Fellowship.

Finance Committee Responsibilities:

Calculate and report our prudent reserve to the Fellowship at the annual Service Conference. We may report it at other times of year if needed.

Annually review proposed budgets submitted by committees, boards, & Fellowship Services.

The committee considers whether or not CoDA's income supports the budget requests and allows for our prudent reserve* while integrating the requests into one overall budget.

Provide input to the CSC related to the financial implications of proposals under discussion and suggest options, as prudence requires.

The Finance Committee makes the motion to approve the overall budget to voting members at CSC.

Apprise the CoDA Board and Fellowship of changing financial circumstances, which might require budgetary adjustments between CoDA Service Conferences.

Review expense reports submitted by committee & board members for adherence to CoDA's Expense Reimbursement Policy.

Review CoDA's investments for adherence to Conference approved policy.

Review the Expense Reimbursement Policies and Procedures, and propose amendments when needed.

* Prudent reserve equals \$250,000 or equal to half of the total actual operational expenses for the previous two calendar years, whichever is greater.

Hospitals and Institutions Committee (H and I)

Committee Purpose:

The purpose of the Hospital and Institutions Committee (H&I) is to carry the message of CoDA to codependents through medical, penal, educational and social services institutions. This includes hospitals, prisons, jails, rehabilitation centers, schools and the libraries that serve these institutions. It is this committee's goal to act as a resource and support to the local H&I trusted servants

Goals and Duties of the H&I Committee:

1. Respond to inmates and professionals via email or US mail requesting literature & sponsorship:
 - We respond to direct correspondence: providing information, resources and literature.
 - We track and document contact and literature requests, striving to provide prompt and helpful information.
2. Reach out to H&I delegates, Intergroups, Voting Entities and individual group members to share best practices regarding H&I outreach:
 - We encourage the creation of H&I service positions at Intergroup, VE or group levels
 - We communicate to these H&I contacts in order to reach the larger Fellowship
 - We strive to develop awareness within the Fellowship for the needs of the codependents who still suffer confined to institutions.
3. Coordinate outreach programs within the Fellowship to hospitals and institutions:
 - We continue to provide CoDA literature and books to codependents confined to institutions.
 - We promote the knowledge of our programs to those in the Fellowship as well as information on how groups or individuals can make donations to the program.

- We continue our ongoing and growing support to hospitals and institutions. We support members who wish to start meetings at hospitals and institutions and assist in providing service and tools of the program such as literature, speaker lists, workshops, correspondence, sponsorship information or donations.

Issues Mediation Committee (IMC)

The Service Conference elects members of the Issues Mediation Committee (IMC) according to guidelines established by the Conference. To be eligible to serve on the IMC, a candidate shall be a current or past Voting Entity Delegate or Alternate.

- New applicants shall be present at CSC to be elected.
- A Current IMC member may be re-elected even if they are not attending the Conference by expressing an interest to continue service by written communication to the Conference, submitted by another IMC member and/or other trusted servant.
- In between CSC, if it becomes necessary to increase IMC members due to resignations, leave of absence, death or any other reason deemed necessary by IMC, IMC will present vetted nominee(s) to the board for approval of additional IMC members through the board motion process.

All eligible members should either have an in-depth knowledge of, or share a strong willingness to learn, CoDA's FSM principles, guidelines and Bylaws.

IMC Mission:

The Issues Mediation Committee facilitates dispute mediation for Voting Entities, Intergroups, and other CoDA entities as needed. Decisions at all levels of CoDA are made with the guidance of our Higher Power as expressed through the group conscience. As stated in Tradition One: "Our common welfare should come first. Personal recovery depends upon CoDA Unity." and Tradition Two: "For our group purpose there is but one ultimate authority—a loving Higher Power as expressed to our group conscience. Our leaders are but trusted servants; they do not govern." Thus as with all our recovery, group conscience is about putting aside the "self" and looking to Higher Power for guidance.

In addition, the Issues Mediation Committee:

- Through the group conscience process, will handle requests to recognize Voting Entity delegate's election process.
- Handles requests from Voting Entities to divide into two or more entities.
- Tracks and reports the status of Voting Entity issues.
- Processes and qualifies Travel Reimbursement Opportunity (TRO) VE applicants.
- Informs and awards Travel Reimbursement Opportunity (TRO) for incoming eligible Voting Entity delegates.

We also have the additional sections to guide us in the mediation process. (Please see Part 1 of the FSM, CoDA Structure and General Information Summary "The Twelve Service Concepts" and "The Disagreement, Mediation and Resolution in our Group Conscience Process".

Mediation Procedures:

- Since CoDA operates as an inverted pyramid in its structure, the IMC should only be consulted after an attempt has been made to resolve the issue on a one-to-one level; through a group conscience at the local, home-group level; Intergroup; and VE levels (refer to "The Disagreement, Mediation and Resolution Process" within the "Group Conscious Process" in Part 1 of the FSM, CoDA Structure and General Information.
- If a conflict arises at the CoDA World Fellowship level, it is essential that all disputing parties follow "The Disagreement, Mediation and Resolution Process." Once the dispute reaches the IMC level: A Committee member or a Board member may submit their request for assistance to the IMC to mediate the conflict within a Committee or

within the Board if irresolvable, o The Board and/or trusted Servant, and/or Committee may submit their request for assistance to the IMC to mediate the conflict if they cannot resolve the conflict between each other, the Committee chair or Board liaison may submit a request to the IMC for assistance in resolution of the conflict if conflict arises between a Board Liaison and a committee, The IMC may give advice to the CoDA Board for conflict resolution if a Board Liaison and a Committee cannot successfully resolve their conflict. This is recommended because the IMC represents an impartial perspective on the conflict, and may provide the Board with a clear understanding of the issues involved. If a new Board Liaison is necessary, a mutually agreed upon liaison should be chosen. This change will be reported in the subsequent Quarterly Service Report,

- If any conflict remains, the IMC may consider other options as outlined in the “Disagreement, Mediation and Resolution Process” in the FSM. This may include bringing a dispute to either the Board or CSC when irresolvable; advising the Board or CSC of dispute issues and IMC's recommendations, etc.

Voting Entity Division Process:

The By-Laws (Section 2) authorizes a VE to sub-divide; explains the logic and assigns IMC to oversee and approve the division. It also gives some guidance for the VE and IMC. After the division, both VEs will have two delegates. The Process of Dividing a VE may arise for any of many reasons.

The IMC recommends the following issues and process be considered.

1. Make sure a division will solve some problem or issue with representation of the membership.
2. Consider geographical boundaries.
3. Consider division by Language.
4. Consider city, county, parish, and state boundaries.
5. The division should be agreed upon by both new VE's.
6. All meetings from the current VE should be included in one of the new VE's.

Please contact the IMC @ imc@codas.org for an application, VE division requirements and deadline for submission.

Authorization Process for the Development and Structure of a Voting Entity:

CoDA's By-Laws (Article IV Section 2) states that the Issues Mediation Committee will handle requests for CoDA to recognize Voting Entities through the group conscience process and service boards. In fulfilling this responsibility, the IMC has created a set of suggested guidelines for the development and structure of Intergroups and Voting Entities. A Voting Entity Liaison (VEL) is elected by the Issues Mediation Committee to focus on this responsibility. The awarding of all Travel Reimbursement Opportunities (TROs) to eligible Voting Entities Delegates will be the responsibility of the Issues Mediations Committee. For further information contact the Voting Entity Liaison at imcvel@codas.org or contact IMC at imc@codas.org.

Outreach Committee

Committee Purpose:

The CoDA Outreach Committee (Outreach) is a group of actively recovering codependents whose focus is on carrying the message to codependents who still suffer. We provide information to members and groups who seek to reach out to codependents outside of CoDA, focusing on attraction, not promotion. We also facilitate the sharing of information within CoDA, providing guidelines, templates and examples of Outreach activities. Outreach projects are created by committee members or received from Fellowship members. The projects are vetted through a process that carefully considers traditions, experience, strength and hope. Outreach provides developed information for Fellowship members, local groups, intergroups, world organizations and Voting Entities in their efforts to carry the message. This committee works in conjunction with other CoDA committees that engage in other outreach activities.

- Members are expected to attend most meetings and can choose to facilitate projects.

2. Outreach Committee Projects

- We support Outreach projects both from members of the committee and others in the Fellowship.
- We employ a process for which formal Outreach Committee projects are proposed to the committee, carefully vetting the proposed projects through traditions and experience.

- We serve as a conduit for the sharing of outreach activities, enabling the experiences of CoDA members to be utilized by the Fellowship.
- We develop and maintain a clearinghouse of possible ways that members can carry the message.
- We provide online and written materials, such as guidelines, templates, examples, etc.

4. Awareness

- We hope to encourage the awareness of CoDA to those who may not know of the benefits of CoDA.
- We hope to develop an awareness of the importance of CoDA outreach activities within the Fellowship.
- We strive to mutually support and communicate with those that do CoDA outreach activities worldwide in the spirit of inclusiveness and accessibility to all.

5. Assessment

- We consider the ongoing needs of the Fellowship members pertaining to carrying the message.
- We assess the needs of the Fellowship for areas of new Outreach Committee projects.
- We support the development of new areas of outreach, providing guidance on the process to those who do outreach service.
- We reflect on our committee procedures, doing a regular inventory on our Twelfth Step work.

Service Structure Committee (SSC)

- Follow the Steps and Traditions in all dealings, and aid the committee in following these principles in their communications and work.

The Service Structure Committee (SSC) with the approval of the CoDA Board has permission to make the following types of changes to the Fellowship Service Manual (FSM) without having to bring a motion to the CoDA Service Conference (CSC) for approval:

- Proposed committee and or board description changes that do not alter the responsibilities of the committee or board Additions and modifications to the Glossary
- Things that were approved at CSC where the motion did not specifically say to add the information to the FSM Corrections to incorrect information
- Grammar and punctuation improvements

Such changes may be initiated by either SSC or the board or for committee description changes made by the committee, may be sent to SSC (ssc@codaa.org) and the board. SSC, in conjunction with the board, will review requests to ensure they are in accord with the Foundational Documents and the legal and fiduciary responsibility of CoDA Inc. If SSC and the Board agree that the proposed changes meet those criteria, they will automatically be incorporated into the FSM without the necessity of being proposed as motions at CSC. When a change has been made, notification will be sent out to the Fellowship via the announcement list.

If the Board or SSC do not agree that the suggested change(s) meet the necessary criteria the initiator of the requested

change(s) may submit the requested change(s) either as a CSC motion or a Voting Entity Issue depending on who the initiator is.

A summary of all FSM changes made through this process will be reported before CSC via the Delegate packet.

Spanish Outreach Committee (SPO)

Spanish Outreach shall be the CoDA Committee that edits and cross checks Spanish translated CoDA literature for grammatical consistency with Standard Spanish, from the Spanish CoDA webpages to the printed page and on to digital versions of Spanish language CoDA materials.

Spanish Outreach posts information and maintains the Spanish side of the CoDA, Inc. website, according to the CoDA program principles embodied in the Twelfth Step as well as the Fifth Tradition.

Board Liaison to Standing CoDA Committees

Description:

The Board assigns a member to serve as liaison to each standing committee as well as other CoDA service entities such as Ad Hoc committees or Task Forces. The liaison provides a communication link between the Board and the committee or service entity. The Board may also assign a backup liaison. A backup liaison provides the liaison services when the primary liaison is not available.

Responsibilities:

- Liaisons communicate pertinent information to their assigned committee, including: dates of Board meetings, CoDA Quarterly Service Report (QSR) publication deadlines, and any information related to the committee's goals or commitments to the Fellowship.
- Liaisons may serve in a consulting capacity between committees, such as discussions between the Translation Management Committee and the Literature Committee related to CoDA Conference Endorsed Literature.
- Liaisons communicate with committees when there are legal issues that impact the committee's work.
- Liaisons communicate changes in CoDA's overall financial status to committee chairs as soon as possible in order to allow for any expenditure adjustments.
- Liaisons provide guidance in adherence to the Twelve Traditions and Twelve Service Concepts in all activities. Liaisons may provide support, when asked, in preparation for the CoDA Service Conference.
- Liaisons may be asked to attend a committee's face to face meeting to serve in a consulting capacity. Liaisons may be invited to attend regular committee conference calls and asked to join the committee's email alias.
- Liaisons report on committee activities and bring any committee concerns to the Board before or at each scheduled Board meeting. Liaisons prepare monthly written summaries for submission to the Board before or at each scheduled Board meeting.
- Liaisons review committee reports prior to submission to the QSR Liaison and editor for publication in the QSR. Liaisons may suggest changes to any report.

Section 05 Quarterly Service Report Guidelines

- The QSR board liaison will send out a reminder email no later than the last day of the quarter (March 31, June 30, Sept 30, Dec 31). The report is due by the 15th of the following month.
- All QSR submissions are made through the appropriate board liaison, i.e.: The Finance committee report is submitted through the Finance Committee Board liaison. The QSR liaison is also copied on all submissions to ensure receipt in case the committee liaison is unavailable at the time.
- All submissions to the QSR editor are made through the QSR Board liaison.
- There are no additions, deletions or content changes to a committee's report by the editor without discussion and agreement with the committee first.
- The final draft of the QSR is made available for review by all Board members, and must be reviewed by at least two members.
- No content changes will be made after final approval by the Board. Punctuation, grammar, and spelling corrections may be made when needed without approval.
- No changes may be made to a committee's QSR submission without discussion with the committee.
- No content changes may be made without mutual agreement unless there is a legal issue involved.
