CoDA Resource Publishing, Inc. (CoRe) is a not-for-profit service organization that supports CoDA's mission to reach codependents who still suffer. CoRe supports CoDA's mission by ensuring the "still suffering" are able to obtain CoDA approved materials by publishing and selling these materials. In addition, CoRe royalties provide the financial support needed by CoDA to maintain an organization that can continue to bring programs and services to the CoDA community, as a not-for-profit.

Outline the qualities, experience, and skills you want to bring to the CoRe Board including: past and present CoDA Service work, software applications, and/or professional skills such as finance, administration, printing, etc.

I have had one year as a CoRe Chair, and learned very much both about the CoRe Board, working my traditions, working my own steps and setting boundaries. I have grown very much this year, and would like to continue as Chair. I have learned the process of publishing the CoDA literature, worked well with the CoDA Board, as well as the Literature Committee. I worked well with the CoRe Board this year, with

transparency, and being open about anything that has come up in between meetings. I am familiar with Google Docs, One Drive, Power Point, Woo Commerce, and other programs. I am very resourceful if I do not know how to do something, I will search, ask questions, and figure it out. I have been on the Events Committee for 7 years, and also on other committees through my years in World Service. (Literature Committee for 1 year), I have been a past delegate, and past alternate delegate. I prepare the monthly agendas for our business meeting, I have worked with our Web Master to get things on our store, I have prepared Quarterly Service Reports, and done the Annual Report. I have written a newsletter to the customers who requested to be on a mailing list. (over 6000). I also have facilitated several retreats for the Pennsylvania Voting Entity, and Philadelphia Intergroup. I have run workshops, and facilitated many step groups. I take the traditions seriously. I have initiated the restart of sending a newsletter out to our subscribers who asked to be on the contact list.
