CoDA Resource Publishing, Inc. (CoRe) is a not-for-profit service organization that supports CoDA's mission to reach codependents who still suffer. CoRe supports CoDA's mission by ensuring the "still suffering" are able to obtain CoDA approved materials by publishing and selling these materials. In addition, CoRe royalties provide the financial support needed by CoDA to maintain an organization that can continue to bring programs and services to the CoDA community, as a not-for-profit.

Outline the qualities, experience, and skills you want to bring to the CoRe Board including: past and present CoDA Service work, software applications, and/or professional skills such as finance, administration, printing, etc.

I have done service at the local, intergroup, SoCAL and World Level. I do project management for a living so I bring that skill to the board. I use all MSFT tools and am fluent in MS Word, Excel and Power point.
